GEARBNB

BUILD YOUR OWN CAMPING GEAR RENTAL AGREEMENT

Terms & Conditions

This Agreement sets out the terms and conditions governing the rental of GearBnB camping equipment under a Build Your Own booking, where the Renter selects individual gear items instead of a pre-set package. The security deposit is set by the total rental cost of the items selected (see Section 2) and is shown to the Renter at checkout, before the booking is submitted. Item costs are confirmed by GearBnB once all selections are finalized.

Instructions:

- Please read our Terms & Conditions carefully before signing.
- You do not need to fill out any part of this document, only your signature is required after your booking is confirmed.
- We will send you a finalized copy with all booking details, selected items, and applicable terms already completed based on your reservation.

SECTION 1 — SELECTED RENTAL ITEMS

The table below lists every item the Renter has chosen for this Build Your Own booking. GearBnB will indicate each selected item, its category, unit price, and quantity, and check the box beside each confirmed item. Prices to be filled in by GearBnB staff at time of booking.

Blank rows are provided for any additional items selected. Total rental cost will be reflected in the final booking invoice.

SECTION 2 — FULLY REFUNDABLE SECURITY DEPOSIT

A refundable security deposit is required for every Build Your Own booking. The deposit amount is based on the total rental cost of the items selected, including add-ons and before any promo discount, as follows:

Total Rental Cost	Security Deposit
Below ₱1,000	**₱300.00**
₱1,000 to below ₱4,000	**₱500.00**
₱4,000 to ₱6,000	**₱900.00**
Above ₱6,000	**₱1,200.00**

The exact amount for this booking is shown at checkout and in the booking confirmation. The deposit is fully refunded once all rented items are returned complete and in good, undamaged condition.

Security Deposit Amount ₱ _____

(Filled in by GearBnB from the booking, per the table above.)

Deposit Terms

- The deposit must be paid within 24 hours of submitting the booking, while GearBnB reviews the Renter's verification documents.
- If neither the deposit nor a proof of payment for it is received within those 24 hours, the booking is cancelled automatically and the selected items are released to other renters. Nothing is charged for a booking cancelled this way.
- GearBnB can only reserve and prepare the selected items once the security deposit and the rental fee are settled. The rental fee is due on or before the rental start date.
- If GearBnB cannot approve the booking after the deposit has been paid, the deposit is refunded in full.
- The deposit is held by GearBnB for the duration of the rental period.
- The deposit shall be returned in full within a reasonable time after the complete and undamaged return of all rented items.
- Deductions will be made from the deposit for any lost pegs, lost ropes, other missing accessories, or damaged/broken gear, as detailed in Section 3.4 below.
- If total deductions exceed the deposit amount, the Renter agrees to pay the remaining balance to GearBnB upon assessment.
- The deposit will be forfeited in full in cases of late return, as detailed in Section 3.2.

SECTION 3 — GENERAL TERMS AND CONDITIONS

3.1 Rental Period

- The rental period commences on the agreed start date and concludes on the agreed return date, as stated in the booking confirmation.
- The Renter must return all rented items to GearBnB, or the agreed pick-up point, on or before the end of the rental period.

3.2 Late Returns and Early Returns

- Late returns will incur a fee equal to 50% of the total rental cost per day beyond the agreed return date.
- The full security deposit (per Section 2) will also be forfeited in cases of late return.
- If you anticipate any delay in returning the rented gear, please inform us as early as possible so we can coordinate accordingly.
- Early returns do not qualify for partial refunds unless previously agreed upon in writing.

3.3 Care and Responsibility

- The Renter agrees to use all rented equipment responsibly and exclusively for camping purposes.
- All gear must be returned in the same good condition as received, complete with all accessories, pegs, ropes, poles, and parts.
- The Renter is fully liable for all items throughout the rental period, including loss, theft, and accidental damage.
- Inflatable beds must be properly deflated and carefully packed prior to return.
- Tents, inflatable beds, and fans must not be subjected to extreme weather or prolonged direct sunlight unnecessarily.
- Before returning gear, the Renter should do a final sweep of the campsite to check for pegs, ropes, or small parts left behind or buried in the ground.

3.4 Damage, Cleaning, and Loss Policy

Normal Wear and Tear (No Charge)

Normal wear and tear from proper use is acceptable and will not be charged. Examples include:

- Small dirt marks from regular outdoor use
- Sand or minor outdoor dust on tents, chairs, or tables
- Light creasing on inflatable beds from normal folding
- Minor scuffs consistent with reasonable camping use

Chargeable Damage or Condition

The following are considered chargeable and will incur cleaning, repair, or replacement fees as assessed solely by GearBnB:

- Excessively dirty items or items requiring deep cleaning
- Mud-covered tents, footprints, or ground sheets
- Cigarette burns and burn marks from stoves or open fires
- Food stains, beverage spills, or oil/grease residue
- Strong odors (smoke, food, mildew, pet odor)
- Improper packing causing damage to fabric, poles, or accessories
- Tears, rips, broken zippers, snapped poles, or broken components
- Water damage from improper drying or storage before return

Lost, Missing, or Broken Small Components

Small hardware items are easily lost on-site and are the Renter's responsibility to count and return. The following fixed fees apply automatically and will be deducted from the security deposit:

Item	Fee
Lost tent peg / stake	₱20.00 per piece
Lost guy rope / tent rope	₱10.00 per piece
Standard cleaning fee (excessively dirty / requires deep cleaning)	₱150.00 per item (Charge decided upon review)

For all other lost, missing, or broken items not listed above (e.g., tent poles, fan parts, chair/table components, inflatable bed pumps, or the item itself), GearBnB will directly coordinate with the Renter after inspection to identify the specific liability and the corresponding replacement or repair cost. This will be based on the current retail replacement value or the actual cost of professional repair, whichever is applicable.

Cleaning Fees and Replacement

- A standard cleaning fee of ₱150.00 per item (charge decided upon review) will apply to items returned in an excessively dirty condition or requiring deep cleaning.
- Significant damage to major gear (tents, beds, fans, tables, chairs) will be charged at the cost of repair or replacement, as determined solely by GearBnB.
- Lost or stolen items will be charged at the full current retail replacement value.
- GearBnB reserves the right to assess and communicate any damage, loss, or cleaning charges within 24 hours following the return of the equipment.
- Any amount owed beyond the security deposit must be settled by the Renter within 3 days of notification.

- Photos and/or videos may be taken by GearBnB staff at the point of return to document the condition of returned gear and support any charges assessed.

3.5 Cancellation Policy

- Cancellations made 7 or more days before the rental start date: Full refund of deposit.
- Cancellations made 3 to 6 days before the rental start date: No refund will be issued, but the booking can be rescheduled.
- Cancellations made fewer than 3 days before the rental start date: No refund will be issued, but the booking can be rescheduled.

3.6 Force Majeure

A force majeure event refers to a genuinely unavoidable natural or external occurrence beyond the reasonable control of the Renter.

Covered Events (Free Reschedule or Full Refund Offered)

- Sudden and unforeseeable weather changes during the camping day itself (e.g., flash storm with no prior advisory)
- Typhoons, earthquakes, floods, landslides, and other natural disasters
- Government-imposed travel restrictions, lockdowns, or area closures
- Road closures or evacuation orders by official authorities

Not Covered (Negligence) — Will NOT Qualify for Waiver

- Proceeding with the trip despite official storm signals, typhoon warnings, or weather advisories issued prior to the rental start date
- Disregarding evacuation notices or safety advisories from local authorities
- Improper handling, setup, or use of equipment during foreseeable weather conditions
- Failure to secure or protect equipment from damage when warnings were available in advance

Waiver Request and Evidence

- A Renter seeking a waiver due to a force majeure event must notify GearBnB as soon as reasonably possible.
- GearBnB may require the Renter to submit photo and/or video evidence of the event and its impact on the rented equipment before approving any waiver or rescheduling request.
- GearBnB reserves the sole right to determine, in good faith, whether an event qualifies as force majeure or negligence based on the evidence provided.

3.7 Delivery and Pick-Up

- All delivery and pick-up arrangements must be confirmed at least 24 hours in advance.
- Delivery fees, where applicable, are separate from the rental fee and shall be agreed upon prior to the start of the rental.
- The Renter is responsible for inspecting all items upon receipt and must immediately report any discrepancies or pre-existing damage. Issues not reported at the time of receipt will be assumed to have occurred during the rental period.

Inspection Acceptance: By accepting the equipment upon delivery or pick-up, the Renter acknowledges that the items were received complete and in good working condition unless otherwise reported immediately upon receipt.

3.8 Liability

- GearBnB shall not be held liable for any injury, accident, property damage, or loss incurred during the use of the rented equipment.
- The Renter assumes full and sole responsibility for personal safety and the safety of any other individuals using the rented equipment.
- The Renter is fully and solely liable for all lost pegs, ropes, broken components, and damaged or missing gear identified upon return, as set out in Section 3.4.
- The Renter agrees to indemnify, defend, and hold GearBnB, its owners, and its representatives harmless from any and all claims, damages, or liabilities arising from the use of the rented gear.

3.9 Prohibited Use

- Rented equipment must not be sub-rented, loaned, or transferred to any third party without prior written consent from GearBnB.
- Commercial or large-scale use of the rented equipment is strictly prohibited under this agreement.

SECTION 4 — ACKNOWLEDGMENT AND SIGNATURE

By signing below, the Renter acknowledges that they have read, understood, and agreed to all terms and conditions set forth in this Rental Agreement, including the selected rental items, the security deposit amount and payment deadline set out in Section 2, and the fees for lost pegs (₱20/pc), lost ropes (₱10/pc), and other damage or loss as described in Section 3.4.

The Renter further agrees that, upon receipt of the rented gear, they will inspect all items and immediately report any missing, damaged, or defective equipment before use. If no concerns are reported upon receipt, all items listed under Section 1 shall be deemed to have been received in good, complete, and working condition.
